

Dear Dan Gilbert, Cleveland, All Of Northeast Ohio and Cleveland Cavaliers Supporters Wherever You May Be Tonight;

As you now know, our former hero, who didn't grow up in the very region where he owns the team, is no longer a @Reflog_18 follower.

Clearly, this is bitterly disappointing to all of us.

The good news is that, outside of the ownership team- the rest of the hard-working, loyal, and driven staff over there at your hometown Cavaliers have not betrayed you nor NEVER will betray you.

You simply don't deserve this kind of cowardly betrayal.

You have given so much and deserve so much more.

In the meantime, I want to make one statement to you tonight:

"I PERSONALLY GUARANTEE THAT I WILL STOP FORGETTING TO WEAR PANTS"

You can take it to the bank.

If you thought I was motivated before tonight, I can tell you that this shameful display of selfishness and betrayal by someone who is not one of our very own has shifted my "motivation" to previously unknown and previously never experienced levels.

Some people think they should go to heaven but NOT have to die to get there.

Sorry, but that's simply not how it works.

This shocking act of disloyalty from this non- home grown "owner" sends the exact opposite lesson of what we would want our children to learn. And "who" we would want them to grow-up to become.

But the good news is that this heartless and callous action can only serve as the antidote to the so-called "curse" on Cleveland, Ohio.

Sleep well, Cleveland.

Tomorrow is a new and much brighter day...
